

## **Marketing Communication**

### **Introduction**

Marketing communication is an interdisciplinary major that combines the concepts and theories of Marketing and Communication Science that have two choices, there are Marketing communication program and Mass communication program. Marketing communication program has two concentrations; Marketing Public Relations (MPR) and Corporate Public Relations (CPR). In MPR, students will learn about how to branding the product, IMC (Integrated Marketing Communication), negotiation technique and lobbying, advertising, writing skills in marketing in communication context. Whereas in CPR, students will learn about how to manage the corporate reputation, develop the corporate social responsibility programs, writing skills in corporate communication context.

All concentrations offer advanced ICT and globally minded approach as characteristic of Binus University. As enrichment of learning program, students will be facilitated for 1 year national and international industrial experience, besides 3 years study in campus. We facilitate student to communicate with the global community through student exchanges local and international such as Padjajaran University (local), Hanyang University(Korea), Han University (Holland), University of Southern Indiana (USA).

### **Vision**

A leading Marketing Communication program of this digital era, delivering world class professionals with an open minded and marketable strengths, local values and Information technology.

### **Mission**

The mission of Marketing Communication Program is to contribute to the global community through the provision of world-class education by:

1. Recognizing and rewarding the most creative and value adding talents as a professional Marketing Communication.
2. Educating students in the fundamental skills, knowledge, research and practice of Marketing Communication by providing high quality of teaching and learning experiences in real world applications and prepare them to continue their advance studies.
3. Conducting research and providing professional services of Marketing Communication particularly in public speaking for society development.
4. Preparing students for strategic positions in service industries and/ or for advanced degrees in Marketing Communication in a challenging multicultural world
5. Improving the quality of life of the global Community through researches and overseas internships.

### **Program Objective**

The objectives of the program are:

1. To provide students with a solid foundation of theoretical and practical knowledge in Marketing Communication to be a professional public relations officer.
2. To prepare students with a solid foundation in research skills and analytical thinking to conduct research in the field of Communication especially in Marketing Communication.

3. To equip students with applied communication and entrepreneurial skills through internship to be succeed in the global industry.
