International Relations

Introduction

The dynamic of the development of international affairs has shown a remarkable pace. Hence, the need of International Relations graduates to work in the field is always high. UBINUS wishes to contribute to the development of Indonesia through its competent and skillfull International Relations graduates.

Vision

To become a world class International Relations education and research institution focused on Asia Pacific that contributes to world peace and prosperity.

Mission

The mission of International Relations Department is to contribute to the global community through the provision of world-class education by:

1. To educate students with the fundamental knowledge, understanding, skills, analytical tools, and practices of International Relations by providing an excellent teaching with a world class standard curriculum.
2. To be part of a widely-recognised strategic cross sectors-networks of International Relations in order to serve Indonesia's national interest in the global community .
3. To conduct research with rigorous and cross-disciplinary approach towards the state of the art of International Relations studies underpinned by an outstanding research environment.
4. To equip students with key diplomatic and negotiation skills in foreign languages to prepare them for future careers in a dynamic international environment.

Program Objective

The objectives of the program are:

1. To provide students with a solid foundation of knowledge and understanding of International Relations theory and research skills that will be beneficial in analyzing international affairs.
2. To provide students with broader scope and depth of academics and horizon through shared knowledge, experience and connection to the global players in public, private and non-profit sectors.
3. To prepare students with understanding of International Relations' contemporary issues, information and communication skills, foreign languages capability, and basic skills of negotiation and diplomacy successfully employed into practices of International Relations.

Graduate Competency

At the end of the program, graduates will be able to :

1. Identify concepts, theories, and methodologies of International Relations.
2. Examine the factual knowledge of international norms, ethics, societies, cultures and politics of certain countries in particular regions.
3. Analyze the rules and principles of geo-economic, geo-political, geo-strategic, and geo-cultural aspects, as well as political multiculturalism, and political communication in international relations..
4. Assess the dynamics of regionalism and globalization in international relations.

5. Generate recommendation and solutions to international problems that particularly affect Indonesia by producing foreign policy analysis and communicating, negotiating, and practicing diplomacy in foreign languages.
6. Justify the roles of multinational corporations in International Relations.
7. Justify the roles of trade and business diplomacy in International Relations.
8. Justify the roles of media, international organization and global governance in International Relations.
9. Justify the roles of strategic and security issues in International Relations.

Prospective Career of the Graduates

1. Diplomat with Ministry of Foreign Affairs.
2. Negotiator in the international treaties acting on behalf of the state as well as multinational corporation.
3. Analyst and/ local staff in accredited foreign embassies and international organisations in Indonesia.
4. Government relations officer
5. Programme analyst in Ministry of Defense.
6. Programme analyst in Ministry of Trade and Industry.
7. Programme analyst or researchers in Indonesia Investment Coordinating Board.
8. Analyst or researchers of International Relations in university or research centres.
9. Lecturer/Researcher in university.
10. Risk analyst in Multinational Corporations.
11. Journalist in national and international news agency.
12. Researcher in national and international research centres.
13. Expert staff in parliament.
14. Programme analyst or planner in central and regional government.
15. Programme officer in non governmental organisations

Curriculum

Curriculum of International Relations Department lies on strong foundation of core curriculum, concentration, and foreign languages proficiency. It combines the national and international standard curriculum, strengthened by internship programme and research.

- Concentration: International Relations (IR) UBINUS offers concentrations which have not been offered by other universities, namely International Political Economy of Multinational Corporation; Business and Trade Diplomacy in Asia Pacific; Media International Organization and Global Governance; and Strategic and Security Studies.
    - *Multinational Corporations (MNC)*
        - It focuses on how multinational corporations (MNC) become important and significant non-state actor in International Relations. Students will learn various topics such as the rise and fall of multinational corporations, international political economy of MNC; dynamics interaction between states and MNC in globalization era, MNC and social responsibility; and MNC's global strategy.

- o *Trade and Business Diplomacy*
  - It focuses on role of business and trade diplomacy in International Relations. Students will learn topics such as global economic architecture; risk analysis in International Relations; WTO and trade diplomacu; and Indonesi's trade policy in an era of free competition.

- o *Media, International Organizations, and Global Governance*
  - It focuses on important role of media and international organizations in shaping global governance. Students will learn topics such as the role of international media in a global world; development of information technology and warfare; and the role of Indonesia in the global governance.

- o *Security Studies*
  - It focuses on dynamic interaction among states in assessing power in the anarchical world affairs. Students will learn topics such as global security architecture; strategic industry and global security; conflict and peace studies; and terrorism era: economic, social, political and security impacts.

- Enrichment Program: International Relations (IR) UBINUS also offers an enrichment program that provides students with a unique learning experience, including industrial experience, internship in national/international organizations, study abroad, entrepreneurship, and experience in conducting research as well as community development projects. This one year period program is also aimed at helping students develop not only their hard skills, but also their soft skills. Among the soft skills that students are expected to develop are International Business Report Writing, International Trade Analysis Writing, Journalistic Writing for International Relations, Security Analysis Writing, International Business Presentation Skill, Negotiation Skill in Business Diplomacy, Reporting Skill in International Setting, and Persuasion and Influencing Skill.
