

Interior Design

Introduction

Coming to the year 2016, it is the period for ASEAN Economic Community (AEC) with aims to integrate South-east Asia's diverse economies into a single market and global economy. Indonesia has a strategic position and great opportunity with its biggest population among the ASEAN country. The government defines that creative industries are developed by individual creativity skill and talents with potential for wealth and job creation through the generation. One advantage of an integrated economic community is that movement of goods, services, investments and professionals will be much easier. These movements will have a great influence in property sector as well. In order to fulfill their need and lifestyle people have started to realize the sensitivity of design business and tendency to use the current trend. Therefore, the opportunity of business in the Interior Design sector has become widely open. This opportunity has increased the needs of a professional human resource.

Since 2008, BINUS UNIVERSITY has opened Interior Design Department in School of Design. We have prepared our graduates to succeed in an interior industry as well as prepared them to join the global community. Our vision is to become a world class interior design department, delivering international standard designers with strength in local indigenous and latest technology.

Interior Design's graduates of BINUS UNIVERSITY will become professional in a global environment. They will be prepared professionally and scientifically. Therefore, by finishing their Bachelor program, they can step into practical works directly. Graduates will have the ability to design hospitality and commercial design or furniture and interior design accessories. These graduates will not only have scientific and practical abilities in Interior Design sector, but also, they will have spirit and entrepreneurship skill in the future.
