

## Mass Communication

### Introduction

Mass Communication Program is an interdisciplinary major that combines theories and concepts of Communication Science and Broadcasting. Mass Communication Program has two concentrations, i.e. Journalism Broadcasting and Creative Broadcasting. Both concentrations offer knowledge and skills related to the overall broadcasting program production process, from pre-production to post-production, in television, radio and digital media. Journalism Broadcasting emphasizes on creating news-related broadcasting program, meanwhile Creative Broadcasting focuses on producing creative program of broadcasting, such as drama, game show, music, infotainment, etc.

All concentrations offer advanced ICT and globally minded approach as the characteristic of BINUS UNIVERSITY. Not only our curriculum is up-to-date with industrial needs, but it also complies with the national standard of curriculum. Our curriculum consists of three-years study on-campus, and one-year enrichment program. During their four-years of study, students will be able to acquire professional, as well as international experiences.

### Vision

A leading Communication Program creating professionals with integrity, creative, open-minded, and digitally savvy.

### Mission

The mission of Communication Program is to contribute to the global community through the provision of world-class education by:

1. Recognizing, nurturing and rewarding the most creative and value adding talents, both lecturers and students.
2. Educating students in the fundamental skills, knowledge, research and practice of communication science, by providing high quality and up-to-date teaching and learning experiences; and prepare them to continue their advance studies.
3. Conducting research and professional services in communication field for society development.
4. Preparing students for strategic positions in communication field as professionals in public relations or broadcasting in a challenging global world.
5. Improving the quality of life of the global community through research and community development activities.

### Program Objective

The objectives of the program are:

1. To provide students with a solid foundation of theoretical knowledge in communication to be implemented in research and community development.
2. To prepare students with organizational and business knowledge in order to become successful professionals in broadcasting.
3. To equip students with applied communication and entrepreneurial skills through enrichment programs to face the challenging global world.

## Student Outcomes

After completing the study, graduates are:

1. Able to analyse cases in communication in order to provide a solution with the communication science approach.
2. Able to conduct communications research by implementing the theories and concepts of communication science.
3. Able to design solutions in communication science approach in order to deal with crisis communication both internally, externally, or community using a various media.
4. Able to demonstrate professional ethics of communication that appropriate with the context and relevant purposes.
5. Able to write ethically to different level of societies using both, conventional and digital media.
6. Able to conduct professional communication to build and maintain relationships with stakeholders using relevant channel.
7. Able to recognize and seize business opportunities in communication field.
8. Able to produce ethical news program for multi-platform media.
9. Able to produce ethical creative program for multi-platform media.

## Prospective Career of the Graduates

Both concentrations in Mass Communication Program offer diverse prospective career in broadcasting industries, such as Producer of TV/Radio, Radio Announcer, Radio Station Consultant, TV Presenter, TV/Radio Reporter, Digital Media Specialist, Multimedia Specialist, Professional Content Creator, etc.

## Curriculum

Mass Communication Program consists of 146 credits, divided into 8 semesters. Our 3+1 curriculum provides three-years of study on campus which will strengthen students' academic qualities. Meanwhile, the one-year enrichment program of professional/international experience will fortify students' soft-skills. In order to ensure the quality of our graduates, we collaborate with various national and international industries, HEI, government and non-profit organizations through guest lecturing/sharing sessions/seminars, Global Learning System (GLS), joint projects, field trips, etc. Our teaching and learning process are also supported by a modern public relations laboratory, television and radio broadcasting laboratory. All laboratories are available in Kemanggis and Alam Sutera campus.
