

Tourism

Introduction

Bachelor Study Program of Tourism BINUS UNIVERSITY aims to offer an academic education with entrepreneurial, digital, and managerial skills for a successful career in the global tourism and travel business. The Study Program creates leaders as tourism experts and professionals with innovative and creative entrepreneurial skills. This Study Program also provides comprehensive skills in operational, managerial, comprehensive hard and soft skills and entrepreneurial know-how as well as valuable knowledge for Tourism Management, Tour Planning, Digital Tourism, and Tourism Planning.

This Study Program is a 3+1 program with a meaning students will gain insight into the tourism business by taking the option of one (1) year of:

1. Tourism and Travel Industry work experience.
2. Creating the concept of business in tourism and travel business.
3. Conducting tourism research.
4. Fostering and empowering Binusian and the tourism community through Community-based Tourism.
5. Students exchange to abroad university.

To get a comprehensive perspective on the implementation of tourism, students and lecturers will conduct field trips, to have experience in tourism research to tourism destinations both nationally and internationally.

To create international exposure, this exclusive and progressive program is conducted in English for tourism core subjects in teaching and learning activities. The curriculum has been reinforced with international and local content to fully equip graduates for creating tourism attractions as tourism entrepreneurs and managing concepts and operations as tourism professionals in the global tourism industry. The Study Program is a flagship program that provides benefits in the field of theoretical and practical knowledge of tourism as a science.

Vision

A world-class tourism study program in 2035, graduating human resources with capability of innovation, digital technology, and entrepreneurship in sustainable tourism industry, that fosters and empowers society in serving and building the nation.

Mission

The mission of the Tourism Destination Study Program is to build and empower communities by providing world-class tourism education, through:

1. Educating students to have understanding, knowledge, and skills in tourism, specifically ecotourism, that is based on innovation, digital technology, entrepreneurship, and sustainability.
2. Educating students by developing technical and non-technical abilities in tourism through practical and applicable learning.
3. Prioritizing learning on inclusive and quality tourism development based on local wisdom.
4. Encouraging the undertaking of comprehensive research that has significant impacts in responding to challenges in tourism management
5. Encouraging lifelong learning among faculty members to keep updated with current knowledge of tourism.
6. Assisting community empowerment through development programs which aim at improving communities wellbeing.

Program Objective

The objectives of the programme are:

1. To provide students with analytical skills in mapping eco-friendly tourism programs;
2. To provide students with managerial skills through field activities to become professionals in the tourism sector;
3. To encourage students' enthusiasm to develop exemplary and godly character through self-development and advancement of work skills by applying the best practices of lifelong learning;
4. To improve students' abilities in the fields of innovation, digital technology, and sustainable tourism to be able to compete globally;
5. To prepare students to be able to open jobs in the tourism sector as a driving force for the regional economy;
6. To enhance students' critical thinking in solving tourism problems and the contribution of academics to Indonesian tourism through research that has a significant impact.

Student Outcomes

After completing the study, graduates are:

1. Able to implement tourism development that impacts improving the community's welfare and the environment;
2. Able to perform business management in the field of tourism;
3. Able to utilize information technology in tourism development;
4. Able to Implement innovative travel and tourism businesses that have added value;
5. Able to Implement adventure tourism and ecotourism businesses;
6. Able to apply interdisciplinary knowledge and skills in developing alternative solutions for problem-solving.

Prospective Career of the Graduates

Graduates will be able to pursue international career paths in every segment of the tourism industry at managerial levels worldwide. The managerial positions open for the Tourism destination graduates are varied and limitless.

With a tourism qualification, a graduate can choose from a wide range of careers. The career options are to be:

- | | |
|---|---|
| 1. Entrepreneur in the tourism and hospitality industry | 10. Tourism Marketing in the tourism industry |
| 2. Tour & travel Entrepreneur | 11. Banquet sales and marketing at resort business |

18. Minor Program: Global Business

Introduction

The Global Business minor program is designed for students who aspire to integrate creativity, business acumen, and technological expertise in a global context. This program equips students with essential knowledge and skills in digital business innovation, creative industry management, and emerging technologies. Students will explore topics such as digital entrepreneurship, creative content monetization, business model innovation, and the application of advanced technologies like artificial intelligence, blockchain, and immersive media in creative industries. By combining business strategy with technological advancements, this minor prepares students to become agile professionals capable of navigating and leading in the evolving global marketplace. This program is ideal for students from various disciplines who wish to enhance their competencies in creative business and technology, fostering interdisciplinary innovation and international competitiveness.

Career Options

Digital Business Strategist, Creative Entrepreneur, Digital Marketing Specialist, UX/UI Designer, Tech-Driven Product Manager, Creative Industry Manager, E-commerce & Content Monetization Expert, Brand & Digital Experience Manager, Creative Technologist.
