

Hotel Management

Introduction

Bachelor of Applied Science (*Sarjana Terapan Pariwisata*) in Hotel Management aims to offer a vocational education for a successful career in the hotel and hospitality industry. Hotel Management has National Accreditation "A" from BAN- PT and International Certification TedQual from United Nation World Tourism Organizations. Both accreditation ensure the best standards in pursuit the best education for the students. The program provides comprehensive management as well as valuable knowledge, skills, and attitude to form competitive student proficiency with two streaming to be chosen: Culinary Art and Hotel Operation Services. Culinary Art streaming concentrate on the culinary competencies in both kitchen and pastry. While Hotel Operation Services streaming concentrate on the food beverage service and room division competencies. Further, students will gain hospitality industry insight through one year of industry work experience in international and multinational hotels: domestic and overseas, as well as other hospitality industry such as restaurant and convention center. In extent, other experiences such as studying abroad, guest lecturer, seminar, workshop, and industry visit complement the teaching and learning activities. Participating in various international and national hospitality competitions becomes another fulfillment achievement. Upon graduation, student will be encouraged to have hotel competencies certification that are nationally recognized. All in all, all the programs, activities and the curriculum has been augmented with international and local contents to fully equip graduates in managing diverse hotel operations, followed with high employment rate in multinational and global hospitality companies and food & beverage startups.

Vision

A leading and best recognized hospitality department in South East Asia by 2020.

Mission

The mission of Hotel Management Department is to contribute to the global community through the provision of world-class education by:

1. Educating students with a thorough competency in hospitality, functional and managerial skills, as well as to encourage potential students to become entrepreneurs, by providing an innovative and creative education, supported with hospitality related work experience.
2. Educating students to become hospitality leaders in a diverse work environment and to prepare them for further advance studies.
3. Providing professional training and consulting services in technical and managerial skills for all levels of hospitality organizations, both locally and internationally.
4. Improving the standards of living for Indonesians by providing community development programs and services in the hospitality sector.
5. Retaining and acknowledging hospitality talents through research and benchmarking which in turn will enhance the competitive advantage of the Indonesian tourism industry in South East Asia.

Program Objective

The objectives of the program are:

1. To provide students with a solid foundation of knowledge and understanding about hospitality industry.
2. To provide students with technical skills and professional expertise in the hospitality field that can be applied for the community development program and training services in a hospitality organization.
