Curriculum

New Media Program of Visual Communication Design – School of Design implements internship since 2003, now with the 3+1 Enrichment Program Binus University New Media has more to offer to the students. The Enrichment Program will be on 6th and 7th semester with 5 different tracks; internship for industry experience, community development in social issues, entrepreneurship to build start-up business, research and study abroad to enrich cultural experience. After completing the 3+1 Enrichment Program, students gain experience in hard skill and improve greatly in their soft skill. Students will have on-the field creative and entrepreneurial experience implementing the knowledge they acquired from the classroom.

Students start the study in the early stages trained as a visual hard skill and visual language vocabulary. The study program will continue with using the hard skill and visual language in different cases in print and digital media design. In the end of the study, the students will create a holistic visual communication design project with design-based solution for real issues in society. New Media always encourages students to have their own unique creative product based on Visual Communication Design competencies.

New Media Program strive for the student to have global mindset, open-minded in collaboration, strong entrepreneurial spirit, technological familiarity, and holding strongly in Indonesia local values as Indonesia unique competitive advantage in nowadays connected network society.
