### **Curriculum**

New Media Program of Visual Communication Design – School of Design implements the 3+1 Enrichment Program with the fundamental mindset to ensure the future career of the students to become the future creative entrepreneur and ready to enter the creative industry. The Enrichment Program will be on the 6th and 7th semesters with 5 different tracks; internship for industry experience, community development in social issues, entrepreneurship to build start-up business, research and study abroad to enrich the cultural experience. After completing the 3+1 Enrichment Program, students have refined their experiences in hard skill and have improved greatly in their soft skill. 1 year of hands-on-the field design experience in implementing the knowledge they acquired during their study, will become the student's point of departure to achieve their future career aspiration.

Students start the study in the early stages trained as a visual hard skill and visual language vocabulary. The study program will continue with using the hard skill and visual language in different cases in interactive new media design. At the end of the study, the students will create a holistic visual communication design project with visual design-based solution for real issues in society.

New Media Program strives for the student to have a global mindset, open-minded in collaboration, tech-savvy and passionate in Indonesia's local values as Indonesia's distinctive competitive advantage in recent connected network society.
