

Global Business Marketing

Introduction

The Global Business Marketing program prepares students to succeed in fast-paced marketing environments. Students learn about the latest and emerging trends in marketing practice and shape their soft-skills which enable them to conquest global competition. This program has three values to be conveyed to students, i.e. dynamic (how to quick-response to the dynamic market trends), creative (how to design and execute creative marketing strategy and programs), and digitalized (how to apply digital concept in marketing activities in this technology era).

The 3+1 program extends outside the classroom to include real-world, hands-on, and global experiences, where students are encouraged and supported to pursue marketing internships and study abroad opportunities, which further prepare students for a career in marketing.
