

Mass Communication

Introduction

Mass Communication Program is an interdisciplinary major that combines theories and concepts of Communication Science and Broadcasting. Mass Communication Program has two concentrations, i.e. Strategic Digital Production and Creative Digital Broadcasting. Both concentrations offer knowledge and skills related to the overall broadcasting program production process, from pre-production to post-production, in television, radio and digital media. Strategic Digital Production emphasizes producing content for new media or non-mainstream, meanwhile Creative Digital Broadcasting focuses on producing news and creative programs broadcasting for television and radio, as well as digital television and radio.

All concentrations offer advanced ICT and a globally minded approach as the characteristic of BINUS UNIVERSITY. Not only our curriculum is up-to-date with industrial needs, but it also complies with the national standard of curriculum. Our curriculum consists of a three-year study on-campus, and a one-year enrichment program. During their four years of study, students will be able to acquire professional, as well as international experiences.

Vision

A world class Communication Study Program preparing students to become communication professionals with digital resiliency to foster and empower the society in building and serving the nation.

16. Minor Program: Immersive Journey to Japanese Language and Culture

Introduction

Immersive Journey to Japanese Language and Culture Minor program is focused on the basic learning of the Japanese language (equivalent to N5 or corresponding to CEFR levels A1 to A2). This includes an understanding of Japanese characters (Hiragana, Katakana, basic Kanji) and grammar. Additionally, it encompasses the comprehension of reading and listening skills in Japanese, covering vocabulary, phrases, and simple sentences. This program also includes the development of basic writing and speaking skills in Japanese.

Upon completion of this minor, students will be prepared to read Japanese written in Hiragana, Katakana, and basic Kanji, as well as understand everyday conversations in the Japanese language. Subsequently, students will be equipped to engage in basic-level Japanese speaking and writing.

The outcomes of this minor, built upon a foundation of basic Japanese language proficiency, will benefit students who plan to study abroad in Japan, travel to Japan, or pursue interests and hobbies related to Japan.

Career Options
