

Creative Communication

Introduction

The Creative Communication Program is an interdisciplinary major that combines theories and concepts of Communication Science and Brand Communication. The Creative Communication Program is designed to enhance and develop communication skills using innovative and artistic approaches. It focuses on how to communicate identities, values, and the uniqueness of brands and incorporates it to strengthen their image and reputation. In the Creative Communication Program, students will learn how to plan and create creative content, which includes texts, still images, audio, and video. Students will also be introduced to digital tools and platforms, such as social media storytelling, podcasting, and video production.

All concentrations offer advanced ICT and a globally minded approach as the characteristics of BINUS UNIVERSITY. Not only is our curriculum up-to-date with industrial needs, but it also complies with the national curriculum standards. Our curriculum consists of a three-year study on-campus, and a one-year enrichment program. During their four years of study, students will be able to acquire professional as well as international experiences.

Vision

A world class Communication Study Program preparing students to become communication professionals with digital resiliency to foster and empower the society in building and serving the nation.

Mission

1. The mission of Communication Study Program is to build the nation and to contribute to global community development by providing world class education in the area of communication by means of:
2. Educating BINUSIAN to develop exemplary characters through holistic approach that meets global standards.
3. Resolving the nation's issues through high impact research.
4. Fostering BINUSIAN as lifelong learners through self-enrichment.
5. Empowering BINUSIAN to continuously improve society's quality of life.
6. Being the main driver to enrich the BINUS Higher Education system.

Program Objective

The objectives of the program:

1. Educating students with data, technology, and humanity literacy to become competent professionals and entrepreneurs in the digital era;
2. Developing resilient character by integrating diversity, equality, and inclusion values into communication science to create sustainable future and society;
3. Creating a global mindset for students and lecturers through international experiences and partnerships to become global citizen.

Student Outcomes

After completing the study, graduates are:

1. Able to conduct social research using communication perspective;
2. Able to perform multi-channel communication;
3. Able to implement humanity value and professional ethics in communication practices;
4. Able to implement creative communication strategy leveraging digital platform for corporate and brand campaign;
5. Able to apply interdisciplinary knowledge and skills in developing alternative solutions for problem-solving.

Prospective Career of the Graduates

The Creative Communication Program offers extensive industrial fields with prospective careers, such as a Brand Content Planner & Creator; Brand Spokesperson; Content Creator for a Brand; Communication Specialist; Brand Campaign Specialist; Industry Relations Specialist; Brand Community Specialist; Event Organizer; Public Relations Person; Media Relations Specialist; Brand/Corporate Spokesperson; Brand Communication Specialist; Social Media Specialist; Copywriter; Account Executive; and Advertising Specialist.

Curriculum

The Creative Communication Program consists of 146 credits, divided into 8 semesters. Our 3+1 curriculum provides three years of study on campus which will strengthen students' academic qualities. Meanwhile, the one-year enrichment program of professional/international experience will fortify students' soft skills. To ensure the quality of our graduates, we collaborate with various national and international industries, HEI, the government, and non-profit organizations through guest lectures/ sharing sessions/ seminars, a Global Learning System (GLS), joint projects, field trips, etc. Our teaching and learning process is also supported by a modern and open learning space, a computer laboratory, and a television and radio broadcasting laboratory. All laboratories are available at the Bekasi campus.
