Curriculum

The curriculum of International Relations Department lies on the strong foundation of core and streaming courses. It combines the national and international standard curriculum, strengthened by an internship program and research.

- **Streaming:** International Relations (IR) BINUS UNIVERSITY focuses on three streamings: International Political Economy and Business Diplomacy, Contemporary Issues and New Media, and Security Studies.
  - *International Political Economy and Business Diplomacy*

- It focuses on the roles of political economy and business diplomacy in shaping international politics. Students will learn various topics such as the introduction to international political economy; global economic architecture; MNC's global strategy and responsibility; etc.

  o *Contemporary Issues and New Media*
    - It focuses on the importance of media and international organizations in shaping world politics. Students will learn topics such as the role of international media in a global world; civil society and global governance; multiculturalism and digital society; and international migration.

  o *Security Studies*
    - It focuses on security issues in world politics, ranging from security of states, individuals, society, the environment, and other referent objects. It covers a range of security issues from military, political, economic, societal, environmental, etc. Students will learn topics such as global security architecture; conflict and peace studies; terrorism; defense industry; cyber security; as well as Indonesia's defense and security.

- **Enrichment Program:** International Relations (IR) BINUS UNIVERSITY also offers an enrichment program that provides students with a unique learning experience, including industrial experience, internship in national/international organizations, study abroad, entrepreneurship, and experience in conducting research as well as community development projects. This one year program is also aimed at helping students develop not only their hard skills but also their soft skills. Among the soft skills that students are expected to improve are International Business Report Writing, Scholarly Writing in International Setting, International Business Development, International Business Presentation Skill, Negotiation Skill in Business Diplomacy, Project Design for International Matters, Networking Skills for Professional in International Level

Perspective and Approach

IR BINUS UNIVERSITY applies various perspectives of International Relations combined with a multi-disciplinary approach to analyse a variety of international relations issues on national, regional, and global levels.

Learning Method

IR BINUS UNIVERSITY trains students to think critically, informative, and analytic that rest on student-centred learning and the Global Learning System.

Competent Lecturers

Our lecturers earned Ph. D. and master degrees from reputable overseas and domestic universities with various specialization in International Relations and have written books, articles both in international and national journals, and opinion in media and newspaper.
