

International Relations Global Class

Introduction

The dynamic of the development of international affairs has shown a remarkable pace. Hence, the need for International Relations graduates to work in the field is always high. BINUS UNIVERSITY wishes to contribute to the development of Indonesia through its competent and skillful International Relations graduates.

Vision

To be a world-class center of excellence in International Relations through the development of cutting-edge research and provision of quality education contributing to the nation and global society.

Mission

The missions of International Relations are to:

1. To provide high-quality education in International Relations in which students can stimulate critical thinking ability and analytical skills.
2. To conduct high-impact research in International Relations that addresses national and global issues with rigorous and valid use of methods and technology.
3. To strengthen society by contributing to the policymaking process and enabling social change at the national and global levels.
4. To create a positive environment that encourages self-development and meaningful improvement in conducting research, pedagogy, and community development projects.

Program Objective

The objectives of the program are:

1. Apply their knowledge and understanding of International Relations theories and issues to address the evolving national and global challenges with critical assessment, creative problem solving, and a sense of responsibility.
2. Actively seek post-baccalaureate endeavors, whether pursuing the graduate study of International Relations, working in governmental positions, international and non-governmental organizations, or other fields such as entrepreneurship, start-up industry, multinational corporations, journalism, and research.
3. Exemplify the highest ethical and professional standards within their professional environment and community.
4. Ardently seek out leadership positions within their profession and community to enable social change at various levels.
5. Exhibit the motivation to retain intellectual curiosity and lifelong learning.

Student Outcomes

After complete the study, graduate are:

1. Able to apply International Relations knowledge and theories in analyzing international relations issues and understanding actors' behavior in foreign policymaking.
2. Able to demonstrate knowledge and skills in transnational diplomacy and negotiation to engage with current issues in a globalized world.
3. Able to demonstrate academic writing and research skills to produce good quality writings in international relations issues.

4. Able to demonstrate comprehension and analytical skill in major themes in International Relations such as international security, international political economy and business diplomacy, as well as contemporary issues and new media.
5. Able to apply interdisciplinary knowledge and skills in developing alternative solutions for problem-solving.

Prospective Career of the Graduates

1. Diplomat with Ministry of Foreign Affairs.
2. Negotiator in the international treaties acting on behalf of the state as well as multinational corporation.
3. Analyst and/or local staff in accredited foreign embassies and international organizations in Indonesia.
4. Government relations officer.
5. Program analyst in Ministry of Defense.
6. Program analyst in Ministry of Trade and Industry.
7. Program analyst or researchers in Indonesia Investment Coordinating Board.
8. Analyst or researcher in university or research center or think-tank organization.
9. Academic in university.
10. Risk analyst in Multinational Corporations.
11. A journalist in national and international news agency.
12. Expert staff in parliament.
13. Program analyst or planner in central and regional government.
14. Program officer in non-governmental organizations.

Curriculum

The curriculum of International Relations Department lies on the strong foundation of core and streaming courses. It combines the national and international standard curriculum, strengthened by an internship program and research.

1. **Streaming:** International Relations (IR) BINUS UNIVERSITY focuses on three streamings: International Political Economy and Business Diplomacy, Contemporary Issues and New Media, and Security Studies.
 - a) *International Political Economy and Business Diplomacy*

It focuses on the roles of political economy and business diplomacy in shaping international politics. Students will learn various topics such as the introduction to international political economy; global economic architecture; MNC's global strategy and responsibility; etc.
 - b) *Contemporary Issues and New Media*

It focuses on the importance of media and international organizations in shaping world politics. Students will learn topics such as the role of international media in a global world; civil society and global governance; multiculturalism and digital society; and international migration.
 - c) *Security Studies*

It focuses on security issues in world politics, ranging from security of states, individuals, society, the environment, and other referent objects. It covers a range of security issues from military, political, economic, societal, environmental, etc. Students will learn topics such as global security architecture; conflict and peace studies; terrorism; defense industry; cyber security; as well as Indonesia's defense and security.

- 2. Enrichment Program:** International Relations (IR) BINUS UNIVERSITY also offers an enrichment program that provides students with a unique learning experience, including industrial experience, internship in national/international organizations, study abroad, entrepreneurship, and experience in conducting research as well as community development projects. This one year program is also aimed at helping students develop not only their hard skills but also their soft skills. Among the soft skills that students are expected to improve are International Business Report Writing, Scholarly Writing in International Setting, International Business Development, International Business Presentation Skill, Negotiation Skill in Business Diplomacy, Project Design for International Matters, Networking Skills for Professional in International Level

Perspective and Approach

IR BINUS UNIVERSITY applies various perspectives of International Relations combined with a multi-disciplinary approach to analyse a variety of international relations issues on national, regional, and global levels.

Learning Method

IR BINUS UNIVERSITY trains students to think critically, informative, and analytic that rest on student-centred learning and the Global Learning System.

Competent Lecturers

Our lecturers earned Ph. D. and master degrees from reputable overseas and domestic universities with various specialization in International Relations and have written books, articles both in international and national journals, and opinion in media and newspaper.

Network

A strong network among academia, government, professional, and civil societies from both national and international.

Distinct Facility

IR BINUS UNIVERSITY has been equipped with Model United Nations (MUN) conference room as a miniature of the United Nations assembly for diplomatic simulations.

15. Minor Program: Immersive Journey to Japanese Language and Culture

Introduction

Immersive Journey to Japanese Language and Culture Minor program is focused on the basic learning of the Japanese language (equivalent to N5 or corresponding to CEFR levels A1 to A2). This includes an understanding of Japanese characters (Hiragana, Katakana, basic Kanji) and grammar. Additionally, it encompasses the comprehension of reading and listening skills in Japanese, covering vocabulary, phrases, and simple sentences. This program also includes the development of basic writing and speaking skills in Japanese.

Upon completion of this minor, students will be prepared to read Japanese written in Hiragana, Katakana, and basic Kanji, as well as understand everyday conversations in the Japanese language. Subsequently, students will be equipped to engage in basic-level Japanese speaking and writing.

The outcomes of this minor, built upon a foundation of basic Japanese language proficiency, will benefit students who plan to study abroad in Japan, travel to Japan, or pursue interests and hobbies related to Japan.

Career Options

Working in Japan, either in Indonesia or Japan, in the following fields as Consultant, Front Office, Tour Guide, Secretary, Finance, HR, Industry Creative (Content creator, dubber, cosplayer).

16. Minor Program: Metaverse in Business
Introduction

The objective of the Metaverse in Business minor program in general is to offer a new learning experience in business innovation in the digital world. After completing the Metaverse in Business minor program, students will be able to design Virtual Reality applications so that they are able to present users in a virtual world, as if they are in another place, and develop Augmented Reality applications to present virtual effects in the real world.

Career Options

AR/VR Designer, AR/VR Developer, AR/VR Engineer, AR/VR Researcher.
