Core Group

This group is designed to equip the students with the ability to use English for communication purposes, and consists of grammar, listening, speaking, writing and reading from the basic to advanced level in order that the graduates have sufficient knowledge and skills to enter the world of work.

Character Building Group

Character Building courses aim to build the character of the students in order that they will be able to interact properly in society and engage well in the workplace. In addition, the courses prepare the students to have the ability to analyze the needs of the market and their preferred profession. The graduates will also be provided with the ability to effectively and efficiently plan and organize their work well.

Stream Group

The stream group that is often referred to as Professional Enrichment in Language Group comprises three main streams, namely: Creative Writing and Media, English as Foreign Language Learning, English for Business Professionals, and English for Specific Academic purposes. The students will specialize in one of the streams and will comprise portfolios in preparing for their future in the preferred field of professions. This way the students will not only have the knowledge but also the opportunities to apply that knowledge in their preferred field. This streaming pathway will align with the Internship program, provided for the students to prepare their portfolios.

Minor and Free Electives Group

Students of the English department is given the opportunities to take minor and free electives courses offered by other departments at Binus university. Some of the minors that English department students can take are Digital Ecosystem, Human Digital in Workplace, Sustainable Development, Cross Cultural Communication, Interactive & Users Experience Design, Data Analytics, and Robotic Process Automation. The list of Free Elective courses students can take is available as the appendix of this document. Students of the English department are allowed to take up to 20 credits for their Minor and Free Elective courses.

Enrichment Programs + Final / Exit Project

As an integral process in the curriculum, students are required to implement their knowledge and skills, through Internship program. The Internship program has been deemed successful in shaping the qualification of the graduates while keeping them grounded to the needs of the wider community. Students can choose to do Internship, Study Abroad, Research, Community Service, and Business Start Up.

Foundations of research are provided since the first year of the study and are lead up to more focused and evidence-based small-scale research towards the later years of the study. In the final year, students are required to write an extensive research-based paper in the forms of Academic Article Publication, *Skripsi*, or a Creative Product, as final milestone toward the completion of the degree. It is possible for students to their final project independently or collaborative with other students.
