

International Relation Global Class

Introduction

The dynamic of the development of international affairs has shown a remarkable pace. Hence, the need of International Relations graduates to work in the field is always high. UBINUS wishes to contribute to the development of Indonesia through its competent and skillful International Relations graduates.

Vision

To become a world class International Relations education and research institution focused on Asia Pacific that contributes to world peace and prosperity.

Mission

The mission of International Relations Department is to contribute to the global community through the provision of world-class education by:

1. To educate students with the fundamental knowledge, understanding, skills, analytical tools, and practices of International Relations by providing an excellent teaching with a world class standard curriculum
2. To be part of a widely-recognised strategic cross sectors-networks of International Relations in order to serve Indonesia's national interest in the global community
3. To conduct research with rigorous and cross-disciplinary approach towards the state of the art of International Relations studies underpinned by an outstanding research environment
4. To equip students with key diplomatic and negotiation skills in foreign languages to prepare them for future careers in a dynamic international environment

Program Objective

The objectives of the program are:

1. To provide students with a solid foundation of knowledge and understanding of International Relations theory and research skills that will be beneficial in analysing international affairs
2. To provide students with broader scope and depth of academics and horizon through shared knowledge, experience and connection to the global players in public, private and non-profit sectors
3. To prepare students with understanding of International Relations' contemporary issues, information and communication skills, foreign languages capability, and basic skills of negotiation and diplomacy successfully employed into practices of International Relations

Student Outcomes

After completing the study, graduates are:

1. Able to analyze global and policy issues in the area of economic, politics, business, social, and culture, both in government as well as in private institution.
2. Able to carry out arbitration, facilitation, and mediation processes in order to solve conflicts both at the national and global level.
3. Able to conduct public relations, manage public opinion, and practice cross-cultural communication.
4. Able to conduct a bilateral and multilateral negotiation in social and business international contexts.
5. Able to apply knowledge and analysis of multinational corporations in order to competently provide support for; policy making and application; strategic planning; bilateral and multilateral negotiation and; program monitoring and evaluation.

6. Able to apply knowledge and analysis of trade and business in order to competently provide support for; policy making and application; strategic planning; bilateral and multilateral negotiation and; program monitoring and evaluation.
7. Able to apply knowledge and analysis of media in order to competently provide support for; policy making and application; strategic planning; bilateral and multilateral negotiation and; program monitoring and evaluation.
8. Able to apply knowledge and analysis of security in order to competently provide support for; policy making and application; strategic planning; bilateral and multilateral negotiation and; program monitoring and evaluation.
9. Able to demonstrate competence in analytical writing and communication skills.

Prospective Career of the Graduates

1. Diplomat with Ministry of Foreign Affairs.
2. Negotiator in the international treaties acting on behalf of the state as well as multinational corporation.
