3.1 Introduction and Disclaimer

This catalogue aims to help you make informed decisions about your studies. We make every effort to ensure that programs and courses are offered as described, and that any unpublished changes enhance your learning opportunities. However, circumstances may occasionally make this impossible, and we therefore reserve the right to add, alter, or withdraw particular programs or courses, to adjust the level of fees, and to review and amend other areas, for example, arrangements for the provision of financial help.

3.2 History of BINUS University International

BINUS International is a part of BINUS University that offers international programs in the format of double degree through collaborations with overseas university partners. In September 2001, BINUS International launched its first program, Computer Science, with a double degree pathway in partnership with an Australian university. This was among the first publicly offered double degree program in Indonesia at that time. It gradually added its double degree programs and partnerships with world class universities worldwide. In 2010, BINUS International offered the first dual award programs in Fashion Design and Graphic Design in collaboration with Northumbria University in the UK, marking another milestone in Indonesian higher education. Responding to growing interest in a blend of national and international education across diverse disciplines, BINUS International expanded its presence, adding the Joseph Wibowo Center (JWC) campus in Senayan and launching the FX campus in 2013.

Today, BINUS International has evolved to offer eight comprehensive programs and collaborates with over 30 esteemed university partners globally, including institutions across the United States, Australia, Europe, Asia, and New Zealand. BINUS International students can pursue degrees in International Finance, International Business, Business Management and Marketing, Graphic Design and New Media, Creative Digital Communication, Computer Science, Business Information Systems, and Digital Business. Throughout their studies, BINUS International students benefit from meaningful global experiences, including opportunities for study abroad at partner universities, engagement with international guest lecturers and visiting professors, and collaborative learning with peers from diverse cultural backgrounds on campus.
